## THE MUNICIPALITY OF BOSANSKA KRUPA

**Department of spatial planning,  
legal property  
and geodesy affairs**

## AUTHORIZATION FOR USE

Web: [www.opcinabosanskakrupa.ba](http://www.opcinabosanskakrupa.ba)  
E-mail: [jasenos@opcinabosanskakrupa.ba](mailto:jasenos@opcinabosanskakrupa.ba)  
[suvada@opcinabosanskakrupa.ba](mailto:suvada@opcinabosanskakrupa.ba)

## AUTHORIZATION FOR USE

According to the Law on Spatial Planning and Construction of Una Sana Canton - revised text ("Official Gazette of USC" No. 12/13) constructed building can be used and put into operation, and then issue a decision to carry out activities under a special regulation, only after the administration authority, competent for construction, issues an approval for its use.

**Permission for use is issued after a technical inspection of the building.**

### Application process

Requests should be handed in at the desk for receipt of submissions in the Services Center of the Municipality of Bosanska Krupa, whose proper forms are located in the counter hall and for which resolutions this department is responsible. The documentation submitted with the application shall be accompanied by the original or certified copy. Along with the application the prescribed fee shall be accompanied, unless certain documents and actions does not charge tax or if the applicant is exempted from taxes, for which the proof is required.

### Application

The investor submits the application for authorization for use to the administrative body that issued the building approval. Along with the request for authorization to use other documents shall be submitted:

1. copies of building permits,
2. geodetic survey of the building and the plot, made on the land surface
3. a written statement by the contractor on the works and conditions of construction maintenance, and a written statement of investors for facilities referred to in Article 91, paragraph (4) of the Spatial Planning and Construction of the Una Sana Canton - revised text ("Official Gazette of USC," No. 12 / 13)
4. written report of construction supervision,
5. certified project design, if during the construction of the building came to a deviation from the main project on the basis of which building permits was issued,
6. invoice of payment of administrative fees in the amount of 0.05 % of the estimated value of the object.

For buildings, for which subsequent acts on construction were issued, which were built before the entry into force of the Spatial Planning and Construction of the Una Sana Canton - revised text ("Official Gazette of USC" No. 12/13), instead of the written statements of the performers of executed works and conditions of construction maintenance, and a written report on construction supervision, the investor is obliged to obtain an expert opinion of the expert or a legal persons authorized to engage in construction supervision, which confirms that the building was constructed according to the regulations, that is technically correct and stable, and that meets the requirements of usability construction.

## AUTHORIZATION FOR USE

### Technical inspection of the building

A technical inspection determines that the building was constructed in accordance with project documentation based on which the approval was issued for construction, technical regulations and standards, as well as special regulations for the relevant building. The competent administrative authority shall, within 30 days of receipt of a proper application, of Article 130 of the Law on Spatial Planning and Construction of the Una Sana Canton - revised text ("Official Gazette of USC" No. 12/13) perform a technical inspection of the building. The costs of technical inspection, which is determined for each individual case, pays the investor.

### Commission for technical inspection

The competent administrative authority designates the professional technical inspection commission, the President and members of the Commission, within 8 days of receipt of a proper application of Article 130 of the Law on Spatial Planning and Construction of the Una Sana Canton - revised text ("Official Gazette of USC" No. 12/13). The administration authority shall issue an authorization for use within 8 (eight) days, if the Commission reports determines that the authorization may be granted for use for a given building.
